Create your look

New for 2018, Create Your Look session gives you access to unique Wella resources to support you to your best entry.

Taking place at the state-of-the-art Wella Studios, your session begins with an inspirational welcome from the Wella team, then it's over to you to bring your vision to life with an industry photographer.

Your session will include 2 hours to create your look – all cutting and colouring must be pre-done, only hair, make-up and outfit styling on the day - and a 15 minute slot with the photographer to capture your look and a digital file of your image will be sent to you after the event, ready for submission.

There is limited availability so contact your Wella Account Manager or the Wella Events Team (UK: 0845 6018 128 or Ireland: 01-4160900) today to avoid missing out.*
