

## Softly blended pewter to reflective silver by [@kthrnprg](#)

A deeper version of the silver is a new take on the trend. Using a combination of the two iconic color brands from Wella Professionals to create a look that carries an intense luminosity.

### COLOR

#### COLOR FORMULAS

- A. Illumina Color + Welloxon Perfect Pastel  
20g 7/ + 20g 7/81 + 20g 8/69 + 120g Pastel
- B. Color Touch + Color Touch Emulsion 1.9%  
20g 9/16 + 20g 7/89 + 20g 10/0 + 120g 1.9%

On pre-lightened hair lifted to a pale yellow undertone start your root stretch with Illumina Color equal parts of 7/+7/81+8/69 mixed with Welloxon Perfect Pastel 1:2 (formula A)

Blend the roots in to Color Touch equal parts 9/16+7/89+10/0 mixed with Color Touch Emulsion 1.9% (formula B) 1:2.

### STYLE

To create a flawless wave prep the hair with a smoothing product like EIMI Perfect Me and a heat protection spray before you use any heated tool like EIMI Thermal Image.
