SERVICE MENU

3D COLOUR from £00

Try a 3D colour service as the perfect upgrade to your full head colour or toning service.

This unique colour service involves layering subtle differences in tone and can be done with any colour palette.

This technique will give the hair a more voluminous appearance for an instant fuller finish.

RAINBOW LIGHTS

MULTI-TONE from £00

Add some multi tones to your highlights to create dimension and depth, this service works for every colour palette.

SHADOW from £00

Adding shadows of light and dark to your colour creates a contoured effect to your overall colour for ultra flattering results.

FACE FRAME from £00

Adding a brighter shade around your face is the ultimate way to add a touch of glamour to any colour application.
