90's LIGHTS

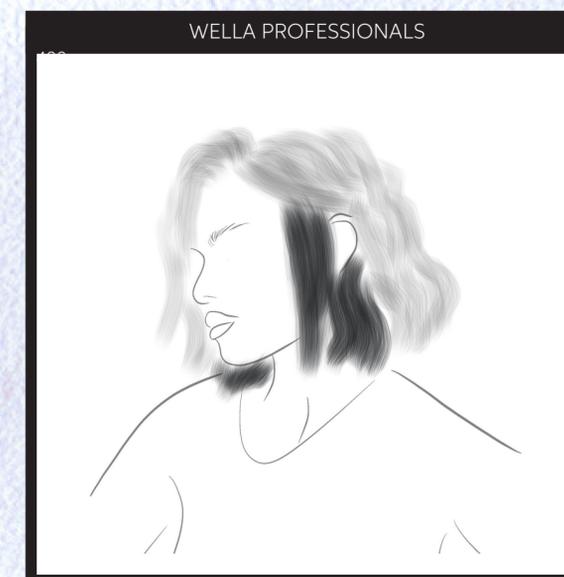

This multi-tonal look can be added to your highlight service or a full head colour result. Then pick 3 shades to layer next to each other.

THE ALICE BAND

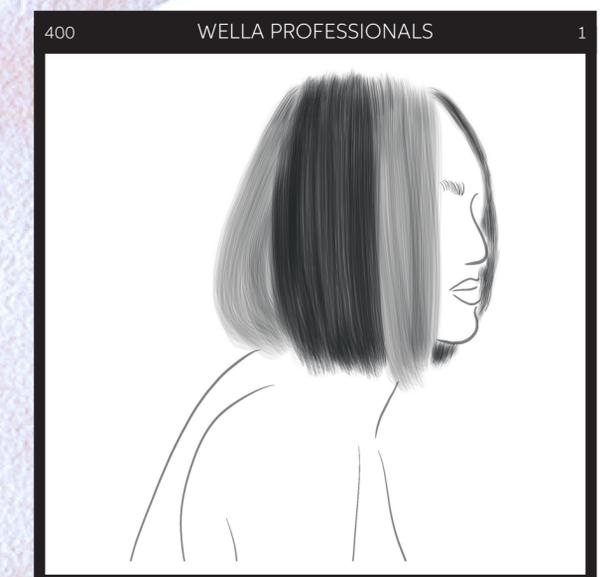

This trend is perfect if you're looking to make a statement, the alice band can be lighter, darker or even just a slightly different shade to your overall colour.

PEEK-A-BOO PANEL

Want to try colour blocking, but worried about feeling too bold? Try this hidden colour blocking service perfect for subtle pops of colour.

THE ALICE BAND

Want to get the most from the trend? Try bold blocking to add multiple panels of colour.
